

Happy August, friends! We hope you are staying cool and enjoying the last leg of summer.

A couple of things to note:

1. Our **School Supply Drive** is underway. You can bring your donations any time between now and September 3rd. We will deliver them to Cooper Elementary right before school begins.
2. Our **Assistant D.S.**, Pastor Jeff Cardimen, will be with us on **August 14th**. We hope you will join us that day.
3. Pastor JoAnn will be out for a couple of weeks recovering from surgery. It would be great to have everyone in the congregation text/email/call someone else in the congregation. *Could you reach out to **one person** and see how they are doing? Awesome!*
4. Our **Back to School Sundae Sunday** will be **September 18th**. *Save the date.*

In the meantime, have a great month!
